Favourite event you have put on? A 'blast from the past' private birthday party with an 80's school themed disco, retro pick 'n' mix stall, large Rubik's cubes, finger food and dessert stalls.

Favourite food? Traditional Caribbean curry goat with basmati rice and coleslaw...yummy!

If you were to host your own event what type of event would it be? Being a child at heart I would love to host a themed funfair event for an adult's birthday party, with giant fun games, coconut shot, never ending supply of candy floss, popcorn, hot dogs, ice cream and an oversized bouncy castle and ball bath.

Andrea Harding

Favourite event you have put on? A 'blast from the past' private birthday party with an 80's school themed disco, retro pick 'n' mix stall, large Rubik's cubes, finger food and dessert stalls.

Favourite food? Traditional Caribbean curry goat with basmati rice and coleslaw...yummy!

If you were to host your own event what type of event would it be? Being a child at heart I would love to host a themed funfair event for an adult's birthday party, with giant fun games, coconut shot, never ending supply of candy floss, popcorn, hot dogs, ice cream and an oversized bouncy castle and ball bath.
