Go Cook Damascus kitchen knives

GO COOK

Exclusively for TESCO

Welcome to the cutting edge of cookware.

Our professional, traditionally crafted knives will make light work of cutting, slicing and dicing

Explore Damascus kitchen knives

Japanese steel blades

Featuring steel blades inspired by the ancient Japanese craft of steel-folding, to produce a fine blade that cuts precisely and effortlessly

[Shop Damascus knives >](#)

Rich walnut handles

Comfortable to hold and incredibly strong, the smooth and elegant wooden handles help you get a clean cut every time

[Shop Damascus knives >](#)

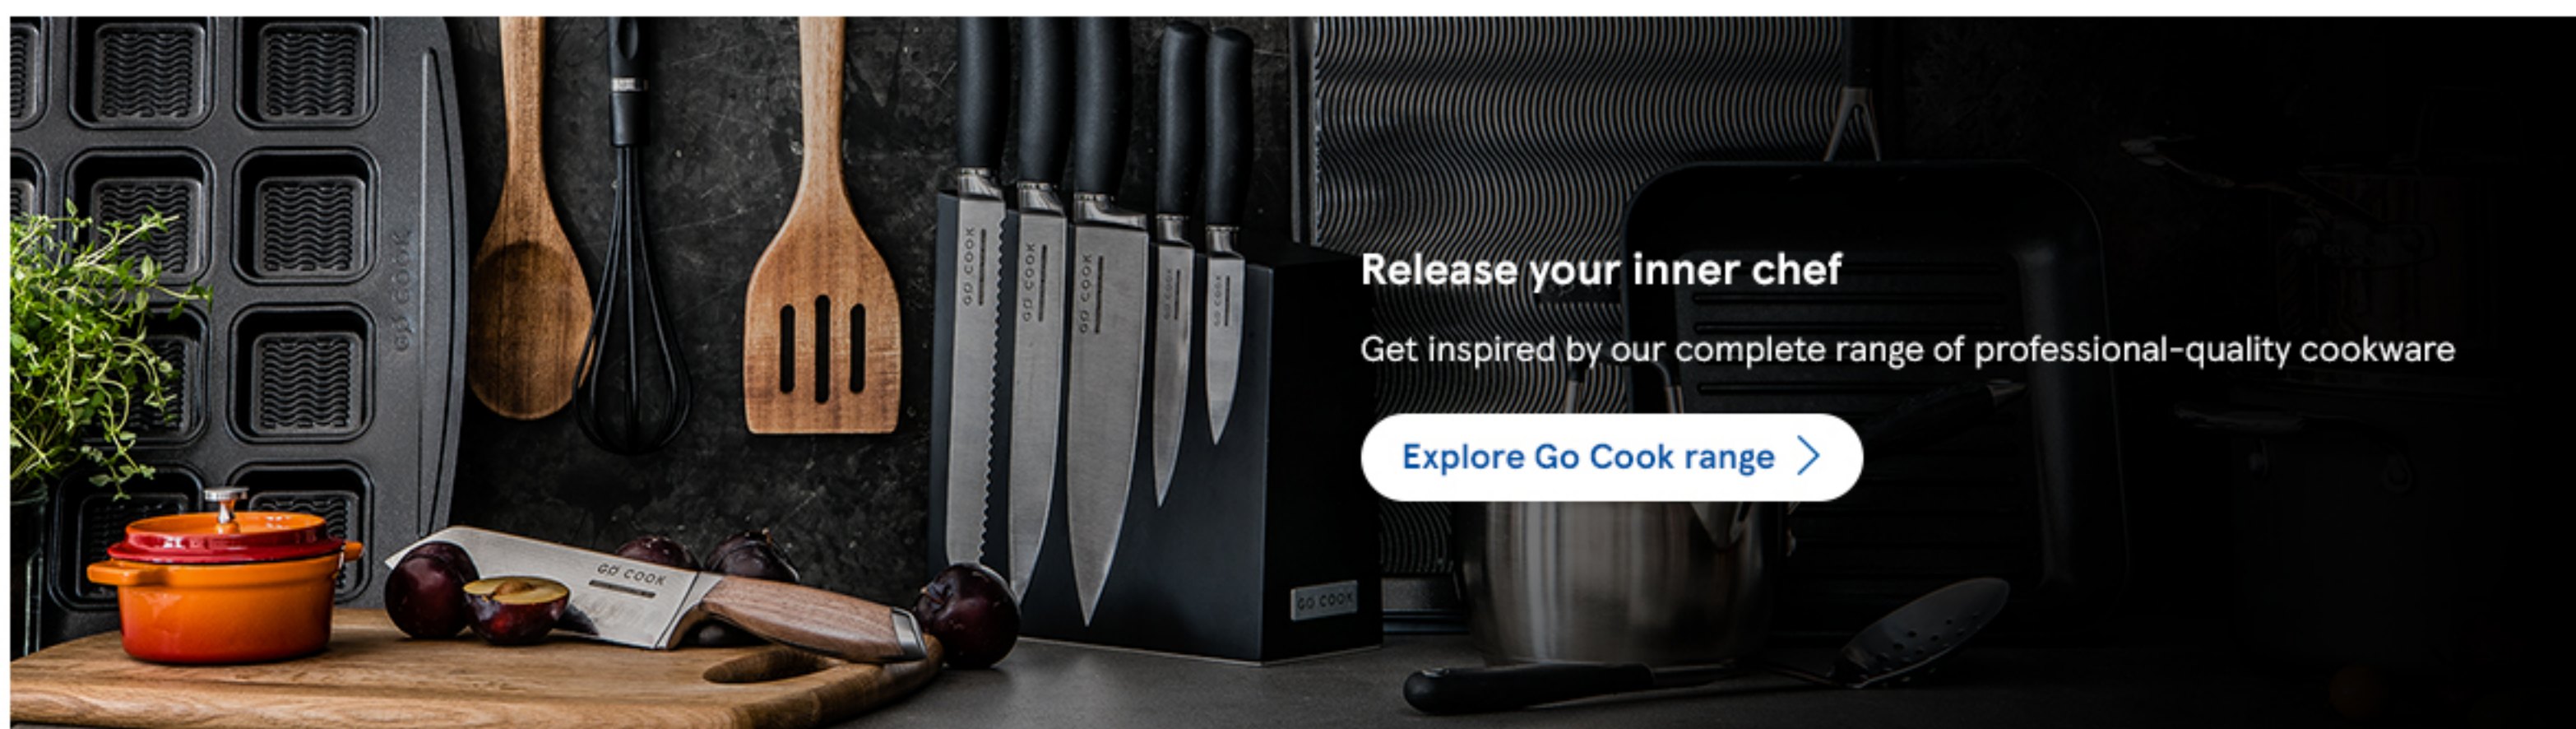

The all-rounder

If you're not sure which blade to choose, the chef's knife is best for versatility and will dramatically improve your cooking prep

Go Cook Contour Wave System

GO COOK

Exclusively for TESCO

Join the new wave.

The distinctive raised design of our unique Go Cook Contour Wave System is the latest innovation in non-stick cooking

Explore the Contour Wave System

Unrivalled non-stick capabilities

The double non-stick layers and uniquely devised waves means smoother cooking and much less soaking in your sink

[Shop Contour Wave System >](#)

Cookware that can take the heat

The raised waves minimise contact between the cooking surface and your kitchen utensils, helping the products last longer

[Shop Contour Wave System >](#)

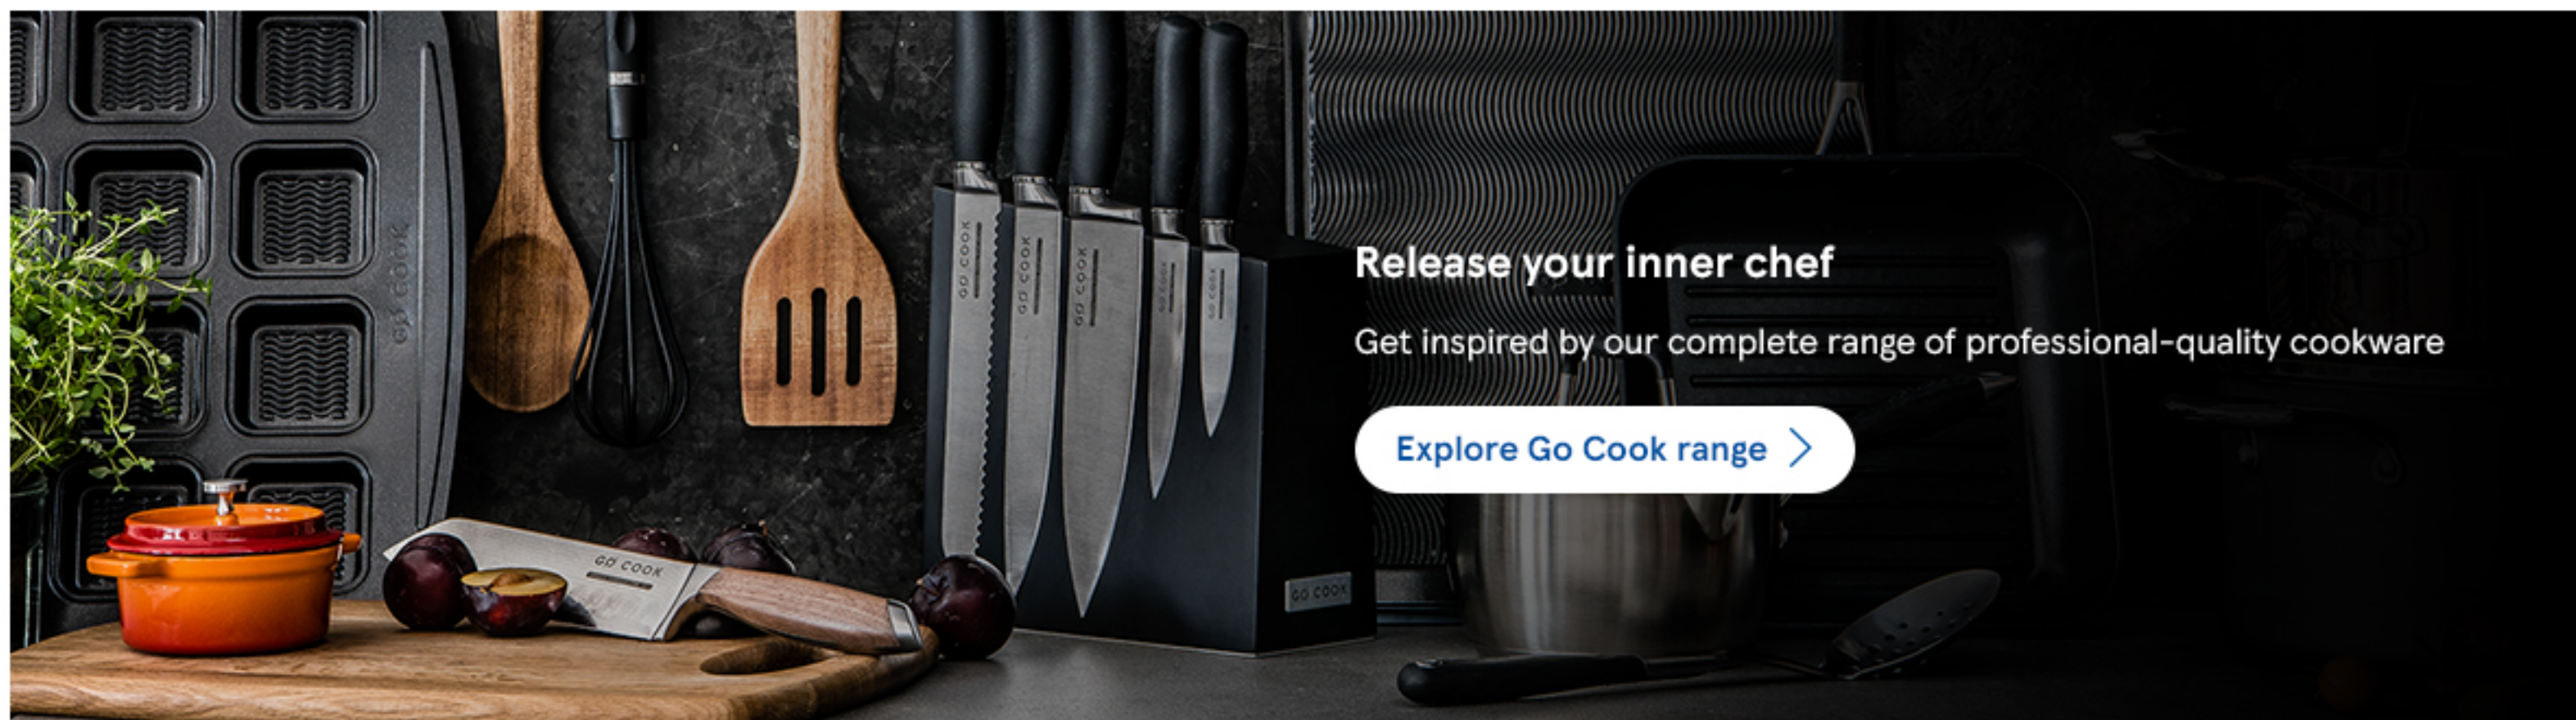

Stress-free baking

Our Contour Wave System baking tins bring a new level of ease to even the most experienced bakers, helping you to create the best ever bakes
